

Editor-in-chief's Message

As a leading Pharmaceutical Association, we pride ourselves on organizing International Conferences, World conferences, Faculty Development Programs, Seminars and Short time training programs. By being a member of our family, you will be one of the first to hear about them. We are the team of thinkers and net workers, bringing out professionals together for pharmaceutical advancements. Let us join hands to build our professional capabilities, to expand our professional network, to bridge the gap between Academia and Industry and to bring out technological advancements and innovations. Welcome to the family of Association of Pharmaceutical Research, let us achieve greater heights together.

OUR INNOVATORY IN-HOUSE JOURNALS

- Journal of Pharmaceutical Research and Innovation (ISSN2583-0023)
- Neurocosm International Journal (ISSN2582-7480)
- Journal of Nursing Practices and Research (ISSN2582-9602)
- International Journal of Agro Nutri food Practices (ISSN2583-066X)
- Transaction on Biomedical Engineering applications, Healthcare (ISSN2582-7409)
- Technoarete Transactions on Biochemistry and Pharmaceutical Medicine
- Technoarete Transactions on Clinical Pathology and Laboratory Medicine (TTCPLM) (Open Access Journal)
- Technoarete Transactions on Current Research in Public Health and Safety (open Access Journal)

OUR MILESTONES 2022	OUR SUCCESS STORIES
<ul style="list-style-type: none"> 10+ Conferences and Webinars 552+ scientific presentations 10+ MoU's 300+ Publications 1524+ Members 	<ul style="list-style-type: none"> 45+ International conferences and Scientific Events 70+ Panels and Sessions 1723+ Professional Members 2257+ Students Members 5528+ Total members 122+ Premium Members

OUR TRAVEL AROUND THE WORLD...

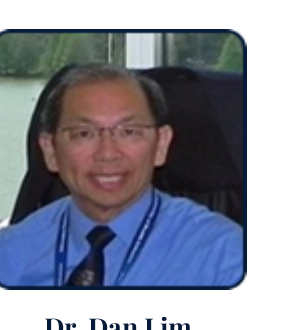

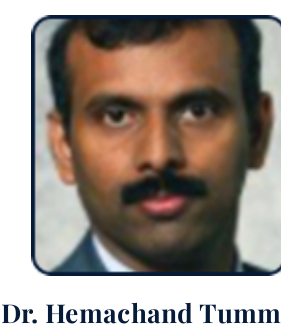

India, Thailand, Malaysia, Singapore, Philippines, Indonesia, UAE, Japan, Turkey, Argentina, Brazil, and many more.

APR AS A SUPPORTING HAND

APR has always given first priority to its members in the first place. APR has always updated and made conferences available for everyone by making Hybrid events. The Main aim of APR is to bring the Researchers, Scientists, and Students Professionals together to discuss the recent trends and advancement in field of Pharmaceutical sciences. APR always encourages the participants with Poster presentations, Oral presentations, Video presentations, and many more. APR has been professional in all the areas and has its networks throughout the globe. It also provides Research Assistance & Guidance, Research Article Assistance, and many connections from the persons in the higher position in the area of pharmaceutical research.

OUR PRECIOUS SPEAKERS:

APR has most prominent speakers from all around the world. Their presentations are most insightful and added value to our conferences & webinars. The Speakers light up the event and have given their most worthy note in the subject of pharmaceutical sciences. We thank each and every one of our speaker for spending their valuable time for APR.

 <p>Dr. Hemachand Tummalu Professor, South Dakota State University, Brookings, SD, USA.</p>	 <p>Dr. Srikanth V. Sastri, PhD, RAC, SM Expert LLC, Sunnyvale, California, USA.</p>	 <p>Dr. David Mead CEO and Colander, Valigen Bioscience, USA.</p>

PAST SPEAKERS

 <p>Mr. Marcel Muxabari President and Founder, Australian Neuroscience & Nanotechnology Initiative, (ANNN) Australia.</p>	 <p>Dr. Ramezra N. Saha Director and Shri B. K. Bita & Smt Sarita Bita Chair Professor, BITS Pilani Dubai, United Arab Emirates.</p>	 <p>Ms. Carole Jean Co-founder & CEO, KeyPrimeSourcing.com Paris.</p>
 <p>Mr. Sergey Suchkov Professor, Director, Dept for Translational Medicine, RUSSIA.</p>	 <p>Dr. Monica Gulati Faculty of Applied Medical Sciences, Lovely Professional University, India.</p>	 <p>Dr. Dinesh Shukla Chancellor, American International University West Africa, The Gambia.</p>
 <p>Mr. Shri. Ashish Kumar Vice President, Zybus Group, India.</p>	 <p>Dr. S. Narinasha Principal and Research Director, Hill Side College of Pharmacy and Research Centre, India.</p>	 <p>Dr. Stanley Mainzen Prince Associate Professor, Annamalai University, India.</p>
 <p>Dr. Animesh Acharyee Senior Scientist, University of Birmingham and NHS, United Kingdom.</p>	 <p>Dr. Subhash C. Mandal Vice President & Chairman, Indian Pharmaceutical Association, India.</p>	 <p>Mr. Santanu Saha Principal Scientist, Bion Research Centre, India.</p>

OUR REVOLUTIONARY EVENTS IN 2022:

Association of Pharmaceutical Research (APR) in association with JNTU Hyderabad organized the "International Conference on Current Advances in Pharmaceutical Industry and Development" on 10th & 11th March 2022, as a Hybrid event. This conference has been a great platform for the many speakers, students, and delegates to explore and share their ideas & knowledge. The discussion was about designing and developing drugs and vaccines. It was an excellent event with interactions between the participants in areas of pharmaceuticals, drug delivery, nanomedicine, biotechnology, and nanotechnology around the world.

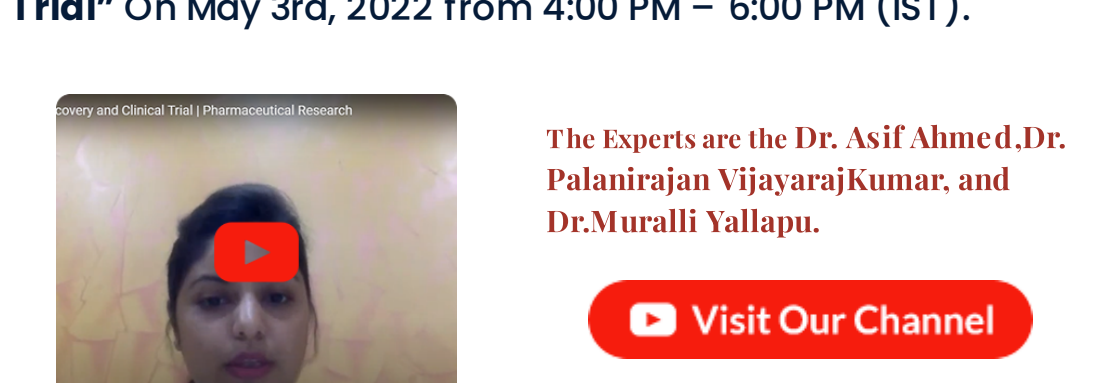

This conference created the opportunities for many students, fellow researchers, academicians, industrialists to share their work at a global platform of their novel research and developments in the field of pharmacy. It has brought together the eminent speakers and expertise persons to deliver the knowledgeable sessions and many presentations on the present and future prospects of pharmaceutical sciences. This conference was successfully organized with 300+ participants and 650+ delegates.

OUR UPCOMING EVENTS:

- Pharma Summit 2022: Drug Discovery & Community Trial**
Date: 27th and 28th August 2022
VIRTUAL CONFERENCE & EXPO
[Visit Website](#)
- START HERB: Journey from Innovation to Entrepreneurship in Herbal**
Date: 14th and 15th October 2022
Venue: Virtual Conference
[Visit Website](#)
- International Conference on Biomedical and Clinical Research**
Date: 21st and 22nd November 2022
Venue: Karnataka, India
[Visit Website](#)
- With World Conference on Pharmaceutical Science and Drug Manufacturing**
Date: 7th and 8th December 2022
Venue: Dubai, UAE
[Visit Website](#)
- International Conference on Innovation and Advances in Pharmaceutical Sciences - Current Scenario and Future Perspectives**
Date: 18th and 19th November 2022
Venue: Karnataka, India
[Visit Website](#)

OUR KNOWLEDGABLE WEBINARS:

APR organized **"A Webinar on Drug Discovery and Clinical Trial"** On May 3rd, 2022 from 4:00 PM – 6:00 PM (IST).

Highlights of the Webinar

- The drug development methods were explained in a brief.
- Clinical Trial Phases and their development
- Initiatives for the further developments in drug discovery
- Nano Medicines & its application
- Science Behind the clinical trials & Disease
- Main Motto of this webinar was to bring together renowned researchers, Scientists, and scholars to exchange and share their experience on all aspects of clinical trials & drug Discovery.

APR takes a pride by organized **"A Free Webinar on Future & Current aspects of Pharma Industry"** On May 31st 2022 from 4:00 PM – 6:00 PM (IST)

Highlights of the Webinar

- Pharma industry innovations and major aspects was discussed.
- Future applications & Challenges of the pharma industry
- The current and future aspects of the pharma industry that improvised from the past era.
- The methods used in development of the high capacity drugs.
- The purpose of this Webinar is to enlighten fellow members on the challenges, recent advancements, and applications in the field of pharma industry and technology.

APR had an immense pleasure in organised **"A Free Webinar of Ayush Medicine"** which was happened on June 30th 2022 from 4:00 PM – 5:00 PM (IST).

Highlights of the Webinar

The main aim of this webinar was to reveal the hidden secrets of the highest quality Ayurvedic Herbal Extracts and Medicines based on the traditional Ayurvedic Principles with the latest modern technology.

- The traditional methods that are developed from the ancient era were discussed.
- The AYUSH medicines and their importance
- The origin of the AYUSH medicines.
- Rare herbals and their effect in treating the wounds.
- Modern & Traditional systems of Medicines were discussed.
